FINAL PLAT OF
Wild Canyon Ranch Subdivision Phase 1

~ LEGEND ~

- Denotes 1/2" dia. iron rod found for Property Corner, unless otherwise noted.
- Denotes 1/2" dia. capped iron rod stamped "LITTLE 6163" set for Property Corner, unless otherwise noted.
- Denotes 8" long spike with washer stamped "LITTLE 6163" set
- Denotes Possible Rock Mound found for Property Corner, unless otherwise noted.
- Denotes 5/8" dia. iron rod found for Property Corner, unless otherwise noted.
- Denotes Windmill/Water Well
- Wire Fence
- Electric
- Patent Line
- (M) Measured Distance
- (R) Recorded Distance
- (CFP) Corner Fence Post/Angle Post
- (dia.) Diameter

Surveyor's Note : Original Survey Lines and/or corners shown hereon are approximate unless otherwise noted. Any acreages shown for the original survey's are also approximate and should not be relied upon as officially approved quantities. A diligent search was made for all the original corners that fell within the bounds or along the bounds of the property being surveyed and shown hereon. We located one possible stone mound within the property at the apparent southeast corner of Survey No. 23, the apparent southwest corner of Survey No. 17, and one in the adjacent subdivision to the south at the apparent southeast corner of Survey No. 1, also being the apparent southwest corner of Survey No. 18. The boundary of the property shown hereon was determined from said rock mounds found and fence corners that appear to have been long occupied as section corners in those locations. The possibility of excess acreage within the original patent survey's shown here on has not been determined.

SCALE 1"=600'
