****LINE AND CURVE TABLE ON SHEET 3 OF 3****

I, Wesley Ray Quinn, Registered Professional Land Surveyor of Texas, do hereby state that this plat represents an actual survey made under my direction to the best of my knowledge and ability, this the 18th day of August, 2023.

Surveyor's Note
 Original Survey lines and/or corners shown hereon are approximate, unless otherwise noted. Any acreage shown for the original surveys are also approximate and should not be relied upon as officially approved quantities. A diligent search was made for original corners if they fell along the bounds of this property or within the property, and those found have been shown hereon. A precise location survey of the original survey lines and corners is a time consuming project, not within the scope of this survey, and are subject to approval by the General Land Office of Texas. The possibility of excess acreage within the original survey shown hereon is not addressed by this survey.
 This plat represents a boundary survey only. Some easements and utilities have been shown, but there may be others recorded or unrecorded that may exist. Always use the Texas One Call System or www.texas11.org, before performing any excavations. Record information for adjoining land owners shown hereon is for visual information purposes only.
 Basis of Bearings
 Bearing Basis hereon is Texas State Plane Coordinate System, Reference Frame North American Datum 1983 (2011) (EPCHD 2010.0000), as determined from Global Navigation Satellite System (GNSS) survey equipment by Static, Virtual Reference System (VRS) network and or Real Time Kinematic (RTK). Distances shown hereon are shown as grid Texas State Plane Coordinate System distances.

MASTER LEGEND	
○ SET 1/2" IRON ROD W/ ALUMINUM CAP	--- SUBDIVISION/INTERIOR TRACT BOUNDARY
● SET 8" MAG NAIL WITH WASHER	--- ADJACENT PROPERTY LINE
